

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

**Bismillah ir-Rahman ir-Rahim**

Haiti needs our help urgently! Millions of victims have been devastated by the most powerful earthquake to hit that country in two centuries.

The Mosque Cares (Ministry of W. Deen Mohammed) has launched an urgent appeal to assist those who are suffering and devastated by this catastrophic event.

President Barack Obama described the scale of the devastation as extraordinary and the losses suffered as "heartbreaking". Per the President, we must "do what it takes to save lives and help people get back on their feet".

We can give more, through our collective efforts, than as individuals. Imam Mohammed's generosity and charitable efforts will continue to live through us.

Give now - we ask that you donate generously to the Haiti Disaster Relief Fund. This will be a long term commitment, as the devastation of Haiti by the earthquake has left long term damage and wounds to heal. Give today for immediate relief and for long term development in Haiti, the poorest country in the Western Hemisphere.

Send donations to:

Our goal is to consolidate funds received for this noble cause and send a donation from Imam W. Deen Mohammed's community to the Yele Haiti Foundation, headed by Br. Wyclef Jean, the Grammy nominated Hip Hop artist, who has been active in his support of his native country and created the foundation Yéle Haiti to provide humanitarian aid and assistance to Haiti.

The Mosque Cares, Ministry of W. Deen Mohammed is a 501(c)(3) non-profit organization. All donations are tax deductible.
